

MES Terrific Kids for January 25, 2013 !

Mrs. Carey - Even on these frosty cold January days our Terrific Kid warms our hearts and makes us all smile. I think everyone in this school knows this little guy because he is so good-natured and sweet. He's had some great role models - Selena, Destiny, and, of course, "G" and I'm sure he is one special little brother to them. We all love him and are thankful to have **Shacory** in our kindergarten family.

Mrs. Walker - We are soooooo happy to announce this TK girl. IT has been below zero outside all week but this little girl has warmed our hearts inside with politeness. She gets her work done on time each day and always has a positive attitude with her classmates. She joined our room in November and is a joy to have in our school family. Congratulations to **Sierra**...our newest TK.....

Mrs. Hayes - Our terrific kid has made a wonderful change in her life. She is doing a great job in her reading. She loves to browse in her reading box. Her penmanship is so much neater this year of 2013. She is not arguing nearly as much with her teachers or her friends! We are very happy with the sweet change we see with our terrific friend, **Mikaela**! Thank you for your new attitude! We are proud of you!

Mrs. Barden - Our terrific kid this week is a happy little girl. She tries very hard to be a good first grader. Madison and Brandy are her special friends. They help her every day. Mrs. Jackie says she is a good worker. We are glad that **Ashley** is our newest terrific kid.

Mrs. Hussey - This week's terrific kid is a friendly, helpful, fun-loving boy. He always comes to school with a smile on his face, ready to begin the day. **Billy** follows the "I Care" rules of our classroom and is a good friend to his classmates. He's a great reader and gives his best effort on tasks. We're glad to have Billy as part of our second grade team! Congratulations and keep up the good work!

Mrs. Mower - Our TK is someone who has been working very hard to make better choices. This person is **Shane**. Since coming back from vacation he has been very cooperative and helpful in our classroom. He still needs some reminders, but is working hard to do things the first time. Congratulations on being TK. Keep up the good work!

Mrs. Dunham - This boy gives his best effort every day. He is attentive to all class instruction. He comes in happy and greets everyone with a big smile each day. He is kind and thoughtful to all his classmates. He has a great sense of humor and loves to tell jokes. Congratulations to **Alvin**.

Mrs. McMahon - The Terrific Kid in Mrs. McMahon's room is a young man who enjoys to share his knowledge with the class, especially on topics in Science and Social Studies. His planner has been signed nearly every day this year! And he has also been doing his best work on the projects in our Social Studies unit about Colonial America! This Terrific Kid is **Raven**. Congratulations to Raven and keep up the great work!!

Mrs. Woodard - Our terrific kid this week is **Salena**. Salena is a conscientious student and always puts a lot of thought and effort into her work. She always turns class assignments in on time and always has her planner signed and her homework done. Congratulations Salena!

Mrs. Gillis - The colonial pictures she draws are grand,
Her Betsy Ross drawing deserves a hand,
On a cold winter day, she can warm your heart,
Her musical side includes pop to Mozart.
Congratulations to **Olivia**!

Mrs. Knowlton - The TK in 5K today is a young lady who has all of the traits of a terrific kid and she could be selected as TK any week of the year. She is responsible for her work and her planner, she is an enthusiastic learner, and she is really, really respectful of both staff and students. This young lady is also creative and capable, and she is showing terrific progress in her writing. I am proud to say that band member, **Katie** is the TK in 5K!

Mrs. Clukey - The terrific kid from 6C this week is working hard to keep up with her assignments in both Mrs. Clukey and Mrs. DW's classes. She has a cheerful disposition from the time she walks in until her bus is called. She is also an active participant in extra curricula activities. Some students her age complain about things but I can't say I have ever heard her complain. She just keeps smiling and tries hard to do what is asked of her. That is why **Katie** is this week's terrific kid from 6C.

Mrs. Dixon – Wallace - The Terrific Kid in DW 6 is a student who has only been with us since Thanksgiving but, you would never know it. He has settled in well here at Milo Elementary. He is a very active participant in class, always willing to share his thoughts and ideas. He has also become an active member in Band and Robotics. Mrs. Clukey says he is an eager learner who is ahead of everyone else in their latest reading and writing project. Congratulations **Taylor**, you are the latest Terrific Kid in DW6.
