WHO CAN PARTICIPATE?

- Students aged 12-15 years old
- Students living in the greater Dover-Foxcroft area

WHY SHOULD YOU JOIN?

- Make Friends
- Internet Access
- Make and spend a profit
- Fun Community Activities
- Game Days

The Penquis Young Entrepreneurs' Society is funded by a grant from The Maine Department of Health and Human Services

Printing Pals is a business that has been developed by Penquis to give students experience at operating a real business

The Penquis Young Entrepreneurs' Society

Come and have fun with us!

Have fun while learning a business! Sounds too good to be true, but we have it here at The Penquis Young Entrepreneurs' Society (YES). Students have the opportunity to build friendships, to play games, to have internet access, a great snack, and the ability to make and spend a profit. In addition, the students will participate in all aspects of a small printing business called "Printing Pals". Students can participate in the Penquis YES Advisory Board where they will be able to have direct input on the program's success.

A business run by kids!
