

2009 Cruizers of the Year!

The Prez had some difficulty selecting ONE Cruiser of the Year for 2009. In the end, there was no way to decide on one so.....he picked FOUR!

Larry and Nancy Fletcher and Dick and Judy Gillen have been members of the Penquis Cruizers for many years. Even though they live in Aroostook County (the Fletchers live in Mars Hill and the Gillens in neighboring Blaine) they have attended more Cruiser events over the years than many of our “local” members.

They are there to help with the Cruise-In on Cruise-In day. They participate in the Fall Cruise as often as possible and ALWAYS make it to the Christmas Party/Annual Meeting.

They have been involved in helping with the weekend indoor car show held at The Forum in Presque Isle for many years.

Dick does a great job of keeping us posted of the “doings” of all our County Cruizers throughout the summer so we know who’s been where and what trophies they brought home from car shows.

Personally, we have developed a wonderful friendship with these four great people and always enjoy their company whether it’s at a club event, a County restaurant or car show, or a quick visit at Larry’s auto repair shop on our way through to visit the kids and grandkids.

Thanks for your many contributions to the Cruizers and we hope you continue to stay with us as long as we’re here!
