Area pharmacists will provide free, private consultations to the public, with professional evaluations of prescription medications, over-the-counter medications and herbal supplements, tips for safe medication use, and answers to consumer questions on their medications.

The event will also provide the public with a safe and secure means of disposal for medications that have expired or are no longer used. For more information, contact Katrina Taggett, 564-4350, or Nancy Davis, 564-4158.

The Customer Appreciation Day will include a welcome to visitors in Mayo's front lobby, with free drawings, refreshments and healthy snacks, wellness and health screening information.
