Dear Editor,

The Fourth Grade at Aviston Elementary, located in southern Illinois, is learning about the United States and the different environments, climates, resources, and highlights found in each region. The kids in the class think it would be fun to receive postcards, souvenirs, resources, or any information about our great country from each of the 50 states.

We hope that people who read this letter will be interested in mailing our class items pertaining to their state.

Our address:

4th Grade @ Aviston Elementary
350 South Hull Street

A sincere "Thank You" to anyone who is able to contribute! We appreciate the excitement you will add to our learning experience.
