

# Milo Historical Society Evening Program

The Milo Historical Society will present an evening program at the museum on High Street next to Bailey Lumber Company on Thursday, September 20<sup>th</sup>, at 7:00 PM featuring Trelba Rollins and her reflections on the rich history of the Rollins Family Homestead and the area of the Sebec River known as the Rips.

We invite those who have their own stories about this area to come and share them and we hope anyone with an interest in this historic and beautiful area will join us for this public program.

Refreshments will be served.
