

Remember Wyman Farms...on the other side of the bridge !!!

Beyond the closed bridge Wyman Farms is open for business.

Located at 226 Medford Road in Milo, Wyman Farms offers retail and wholesale garden produce and hay.

Wyman's is the Milo business most significantly impacted by the closure of the Pleasant River bridge. What's worse is that it is happening just as garden crops are harvested and need to be sold while they are at their peak of goodness.

Farm fresh ears of corn, cucumbers, three or more varieties of squash, peppers, tomatoes, egg plant, onions, potatoes, pumpkins and more great tasting vegetables await you. Marilyn can be reached at 207.943.2605 for the most up-to-date list of available produce.

When you detour around the closed bridge, please, consider bringing your shopping list and helping to soften the impact of the reduced access on a long standing Milo business and family. Thank you for your support !
