

## Letter of Appreciation

Post 41, American Legion, Milo, wishes to thank everyone who contributed to the collection for the Veterans at the VA Hospital and their families staying at the Beal House. Donated items will also be distributed to VA Clinics across the State. Every time we solicit for donations for our soldiers and veterans, we are amazed at the generosity of nearly every citizen we come in contact with in the Penquis area. We share stories comparing the genuine compassion and depth of giving from our fellow citizens. The VA Maine Healthcare System Voluntary Service will distribute comfort items such as disposal razors, coffee and sweat suits to the VA Hospital and Community Clinics. The Beal House at Togus provides accommodations for families of Veterans in the VA Hospital. The Beal House always has a need for toiletries, laundry items and paper goods.

The Legion also thanks the Trade Winds for supporting the collections on Saturday December 8<sup>th</sup>. The efforts yielded several SUV loads of desirable items and nearly \$1000 in cash. The cash will be used to purchase items needed for the Vets and their families – ranging from sweat suits for the Veterans to gas and phone cards for the families.

Again, we thank you for opening your hearts and wallets for our Heroes and their families.
