

MES Terrific Kids for February 8, 2013 !

Mrs. Carey - We are so lucky to have a little girl who is always kind to her friends, listens respectfully, and does her best every day. She loves to draw and tell us stories...who knows, maybe someday she'll be a famous children's book illustrator! She's our special valentine this week and we are thankful to have Terrific kid **Haylee** in our kindergarten family.

Mrs. Walker - WE are soooooo happy to tell this great news about our TK this week and month..... HE is happy to be in school. HE is adjusting well to his new routines and making friends each and every day. WE love our days with **EVAN** in KINDERGARTEN!!!!!!!!!!!!!!
Welcome to Milo Elementary....

Mrs. Hayes - We have a special valentine this week. She has a happy face and she tells everyone that she loves them. She is a strong young lady and will probably play soccer, basketball and softball. She loves to ask lots of questions. Our terrific kid is making good progress in reading and writing. Her written stories are interesting and neat most of the time. We are proud of the good choices **Addison** made this week. She is a terrific valentine!

Mrs. Barden - Our terrific kid started school this year in Lagrange but moved to our school in December. We are glad he is here. He has made a lot of good friends and tries to finish his work every day. He works hard for Mrs. Hudak and enjoys science a lot. Congratulations to **Freddy**, our new Terrific Kid.

Mrs. Hussey - This week's terrific kid celebrated her birthday this week too. We wished **Brianna** a happy 8th birthday on Tuesday! Brianna has made wonderful improvements with her behavior choices and tries hard to be cooperative and friendly. She has become a good reader and loves to buddy read. Brianna is a willing helper and active listener. I am so proud of Brianna's progress and glad to have her as this week's terrific kid! Congratulations Brianna!!!

Mrs. Mower - Our TK this week is celebrating a birthday on Saturday. **Daegan** will be turning 8 years old! Daegan is a very hardworking boy. He is polite and very helpful. Daegan loves Angry Birds, maybe even more than his friend Hayden. Daegan is a wizz when it comes to math, and he loves to read non-fiction books. Congratulations on becoming TK. Keep up the good work!

Mrs. Dunham - Our terrific kid is a girl who come in each day with a friendly hi and smile. She gets right to work on her morning assignments. She knows her daily schedule and she is always on time for all her classes. This girl keeps a keen eye out for those who need help, even the teachers! We are happy **Briann** in our class.

Mrs. Mills - Our terrific kid is a hard working young man. He enjoys math and is working hard in reading. He has a great sense of humor and enjoys hanging out with his friends. I hope he continues to have wonderful behavior and get his work done on time. We certainly enjoy having **Winter** in our class. Keep up the good work.

Mrs. McMahon - Mrs. McMahon's Terrific Kid is a young man who has been trying very hard to always do his best work. He has made a lot of progress with his reading so far this year and has made his family and teachers very proud of everything he has accomplished. It certainly helps that **Joshua** is a wonderful listener, always on task and does a great job at following directions. Congratulations to Josh and keep up the excellent work!

Mrs. Woodard - These two girls could be terrific kid any week of the year. They are both hard working and always turn in class work on time. They are working extra hard on their American Revolution projects by putting in extra research and writing time. They are both good listeners and contribute to classroom discussions. Congratulations **Haylee** and **Caitlin**.

Mrs. Gillis - This girl doesn't need a GPS.
She stays on the pathway to success,
In class we're learning the Gettysburg Address,
Her effort shines through and she does her best.
Congratulations to **Tabby**!

Mrs. Knowlton - The TK in 5K this week is a girl who was new to our school this fall. Since she has been here, she has been working very hard at learning our Bobcat rules. She has become more responsible with her planner. She is learning restraint when things make her angry and she is learning respect for her classmates and for the staff. I am very proud of the progress that **Makayla** has made this year. I am especially pleased that she has learned how to talk about things that bother her. Congratulations Makayla -- YOU are a TERRIFIC kid!

Mrs. Clukey - This week's terrific kid from 6C goes to a young lady who has been working hard to keep up with her assignments and also keeping organized. She can be found many mornings volunteering with the pre-schoolers while they wait for their bus. Keeping busy must work for her because she is also in band, the outing club, and the civil rights team. I think all of her teachers would agree that **Megan** should be 6C's terrific kid this week.
