THANKS FROM PAWS

Thanks to everyone who donated things or money to our Cold Weather Fund sale this past weekend. A huge THANKS to the family of Phil and Virginia Barden for thinking of PAWS when they had multiple items to donate. We truly appreciate everything each and every one of you do to help support our shelter. We made \$591.85 to add to our Cold Weather Fund so we can get desperately needed new windows and insulation. A big THANK YOU to Joe and Starr for helping us pack up. It is really appreciated at the end of a long couple of days when we are all tired, to have someone to help with the packing and heavy lifting! Special thanks to Taylor Small and Dakota Howe who helped with the setup. Thanks again and watch for our notices about the June sale. Spring has to come soon, Right?

BIKES FOR BOOKS

Milo Elementary was the site of some pretty exciting action on Tuesday, April 12. The Masonic Lodge held their second annual Bikes for Books drawings. A bike was given to a girl and boy at each grade level. The children also received a new helmet to keep them safe while they ride. Children in grades K - 6 read books over a 3 week period. When they finished the books, they filled out a slip giving a description of the book. In all, students read 597 books!!! Wow! The winners of the bikes were: Kindergarten - Brady Goulette and Aileen Strout, First Grade - Frank Wood and Briann Legere, Second Grade - Cameron Smith and Shelby Jennings, Third Grade - Justin Goodine and Rachel McMannus, Fourth Grade - Liam Hitchcock and Brooke Champeon, Fifth Grade - David Bemis and Brianna Champeon, and Sixth Grade - Ben Tarnoczy and Colleen DeMaris. The students were entertained by a few of the Shriners' clowns and also enjoyed a buffet of fresh fruits and

vegetables provided by the Masons.

The Milo Elementary staff would like to thank the Masonic Lodge for their support of this program. We all know the importance of reading and this program certainly supports that.

MILO TERRIFIC KIDS - 4/8

Mrs. Carey - We are all so very proud of our Terrific Kid this week. She is a *great* little student - a careful worker who listens respectfully and cooperates in all activities. She is a *great* little friend - a sharing and caring classmate. And she is a *great* little citizen - proud of her school, her family, and her friends. We are very thankful to share our days with Syreniti Grant.

Mrs. Walker - Our terrific kid this week has been a joy to have in the classroom. He is doing his best on all his jobs. He is focused on his work. His reading strategies are coming together and he is becoming a beginning reader who understands what he is reading. This TK boy has been attending math nights with his sister and grandmother faithfully. HE was playing clock BINGO and telling time last night..... way to go Daegan Ames!!!!

Mrs. Hayes - Our terrific kid this week has been a joy to have in the classroom. He is doing his best on all his jobs. He is focused on his work. His reading strategies are coming together so he is becoming a fluent reader who understands what he is reading. His friends say he is nice and helpful to them. He is enjoying basketball. This all-round terrific kid is TREVOR HATHORN!

Mrs. Barden - Our terrific kid this week has shown the whole class what being a terrific friend means. We had a boy who got very upset with his friends. This boy decided he could be a good friend anyway. Christopher Gilbert is this great friend. We could all learn about the Golden Rule from him. Thank you Christopher.

Mrs. Hussey - I am very proud of the effort my Terrific Kid has put in to earn this award! Lucas Tate-Gendron has worked very hard to improve his playground behavior and make better choices. He has been cooperative and responsible. He has also done a good job working in both of his classrooms. Congratulations Lucas and keep up the good work!

Mrs. Redmond - I would like to honor my new student, Desiree Curtis, as Terrific Kid. She has adapted well and fits in nicely with my class. She is learning our routine and working on learning her math facts. She has a great smile and is making new congratulations to Desiree!

Mrs. Dunham - Our terrific kid could have this honor every week. She is a great role model in the classroom. She gives her best effort everyday in everything she does. She is an active

participant in all group activities. Her work is always done on time, including her homework. She is always on the lookout for ways she can help others. We love having Salena Goodine in our class.

Mrs. Mills - Our terrific kid has worked hard this week to make some changes in her class work. She has found a book she really enjoys and can't put it down. She is remembering to have her planner signed at night. She is remembering to bring back her homework - almost all the time. But, hey, we all make mistakes. She is trying her hardest to remember to raise her hand. Miss Cail and I certainly hope that she continues to make these positive changes. Way to go Savannah Stone.

Ms. Morrill - Ms. Morrill's terrific kid this week is a girl who you might not recognize with her cute new hair-cut. She has been trying really hard to complete her morning work on time and has also been working really hard to stay caught up with her work. She is always striving to please all of her teachers. Mrs. Martin and Mrs. Harmon have also been please with how hard Skyla Varney has been working! Congratulations Skyla and keep up the hard work!

Mrs. McMahon - Mrs. McMahon's Terrific Kid is Katilyn Black. Katie is a very motivated fourth grader, staying on task to get her work done, staying focused, and always having her homework completed. She has a great attitude, a friendly personality and is always willing to help her classmates. Keep up the great work, Kate!!!

Mrs. Knowlton - There is 1 student in 5k who has been working very hard for the past 3 weeks to be recognized as terrific kid. This girl has turned her attitude and behavior around 180 degrees! She is paying attention in class and it is beginning to show! Her math scores are improving and she has a smile on her face almost all of the time. Congratulations to civil rights team member and terrific kid, **Lanie Badger**.

Mrs. Gillis - Mrs. Gillis

This boy's trying better to do his best
His confidence is growing on his daily quest,
Getting his planner signed consistently,
Helps to spell **success**, now, don't you agree?
Congratulations to Frank Sprague!

Mrs. Clukey - The terrific kid from 6C this week is a new student here at Milo Elementary but you would hardly know it. He has fit in really well making friends easily. He comes to class with his assignments done ready to get to work each and every day. Mrs. DW says he is a very hard worker in math and science. We feel fortunate to have such a capable student move into our 6th grade class. So for those reasons Michael Penkins is this week TK from 6C.

Ms. Dixon-Wallace - The Terrific Kid in DW6 this week is a student who loves to talk and be with her friends. This can get her in a bit of trouble sometimes, but she is working on keeping her chatting to the appropriate times. She is also working very hard in math and is starting to be comfortable working with fractions and decimals. She is an active member of the civil rights team and in band has a style that is all her own (she is the one with the lime green clarinet). I am happy to announce that Mariah Tuscano is this week's Terrific Kid in DW6.

BROWNVILLE ELEMENTARY NEWS

Using grant funding several classrooms were recently equipped with new technology. Here, Mrs. Perkins in Brownville works with her students with the new interactive EnoBoard. The teachers are very excited about the new possibilities for classroom lessons.

Students from Brownville Elementary recently visited the Gulf of Maine Research Institute in Portland. This trip is provided through the institute at no charge to the district. These 6th graders met a group in Newport to finish the trip to Portland. There are various activities done with students to teach them about the ocean and the Gulf of Maine. A big thank you to Mrs. Judy Thompson for organizing this trip.

Bill Sawtell, local historian, was recognized on Friday for his contributions to the students at Brownville Elementary School. Bill taught Brownville History there for 29 years. He has now decided to retire from that effort and the staff and students wanted to thank him. Many friends from the area also joined in the celebration.
