IN LOVING MEMORY OF OUR BELOVED SISTER, LAUREL ELLISON HARRIS

*Remembering you is easy--we do it every day.
Missing you is the hardest part,
For it never goes away.
Our greatest wish would be to hear your voice
And see your smile, to sit with you
And talk for a while.*

*Our family circle has been broken,
A link gone from our chain,
But though we've parted for a while*

*We know we'll meet again.
Death leaves a heartache no one can heal.
Love leaves a memory no one can steal.*

*We love and miss you very much.

RED HATTERS JUNE MEETING

Red Hatters went down to UMO this month and toured the Page Farm Museum buildings. It is free to take a small group in and browse around. In the main building are three floors of exhibits showing typical Maine farm life tools, kitchen ware, early machinery, etc. Well worth spending an hour or so viewing Maine farm life as it used to be.

One of the outer buildings is an old carriage shed which I snapped a photo of our group in front of. It was donated by ancestors of Harry and Ken Pullen.

The June 1st meeting of the Kiwanis Kids was very well attended. Twenty-five children came together to do crafts, borrow books and listen to *Knuffle Bunny Too*. Some of the children are getting to be quite old hands at borrowing books. We hope that they will continue to use the library all summer. And we have the perfect summer reading program theme to

encourage exactly that.

Sign-ups for the One World, Many Stories summer reading program begin the week of June 20th. Rochelle and I are in the process of sending posters and notices to the schools and local businesses. The program welcomes home-schoolers as well. All children need to bring to the library is their love of stories and a parent.

The program officially begins June 27th and will run for five weeks. You can be sure I'll be writing a lot more about it as we get closer to that date.

LOCAL SCHOOL NEWS

MILO ELEMENTARY KIWANIS TERRIFIC KIDS

Mrs. Carey - We all know that the word "kindergarten" begins with the letter "k" but did you know that the word "kind" is part of the word kindergarten? Well, being kind is a very important part of being in kindergarten and our Terrific Kid this week is a good example of a kind person. He might be a little wiggly at times and, man, does he like to talk, but he is the kindest of the kind! We are so thankful to have T.K. Brady Goulette in our kindergarten family.

Mrs. Walker - WE would like to honor the whole class today in Mrs. Walker's Kindergarten room as being one room of PROMISES and POTENTIALITIES for the future. Congratulations on a job well done this year.

Mrs. Hayes - Today we will be giving special attention to the girls in our class. The girls are good readers and they enjoy writing. They really like horses. The boys say the girls like to talk a lot. The teachers hope that when the girls' talk it will be about schoolwork. Some of the girls like make-up and shopping. Most of the girls like puppies. Great work this year!

Mrs. Barden - Finally we are able to tell you that we have 2 terrific kids this week. One little boy has worked all week with help from his friends to get this award. He is trying to follow the Golden Rule every day. John Lansing is a terrific kid with Kasside Witham.

Mrs. Hussey -First I want to say that I've had a wonderful class this year and now that we're at the final Terrific Kid assembly I've been looking back over the year. One child stands out for his hard work and great progress. This young man came in reading below grade level and has worked everyday to improve his reading skills. He just met the end of the year benchmark for second grade! His math skills have improved too, and he loves mad minute math! He is a helpful, caring, kind, cooperative boy and it's been a pleasure having Corey Merrill in my class! Congratulations Corey!!!

Mrs. Redmond - What a hard decision this week!! I decided to pick a boy who has a great attitude and has improved a lot over the year. Trevor Saunders has been a hard worker in my class.

He is a great friend and classmate who cares about others' feelings. He is helpful and has a wonderful sense of humor. Congratulations, Trevor!!

Mrs. Dunham - It's been a hard choice to choose a final terrific kid, but I chose a girl who has shown all those traits of being a terrific kid all year long. She is kind, dependable, a hard worker, and a good friend. She can always be counted on to help out if I'm not here. She has made wonderful progress in all academic areas. Her assignments are always done neatly and on time. We are very lucky to be getting this young lady in third grade next year. Congratulations to Ainsley Ade.

Mrs. Mills - Our terrific kid is a hard-working young lady. She has made wonderful gains in her reading and math skills. She has learned her cursive letters and multiplication facts. I love how she helps her classmates when they are stuck. She is going to be a fabulous fourth grader. Congratulations to Rosa Cianci.

Mrs. McMahon's and Ms. Morrill's classes are all Terrific Kids this week! Earlier this week, both fourth grade classes went on a field trip to the Margaret Chase Smith Library and Museum in Skowhegan. They displayed wonderful behaviors throughout the entire day and were respectful and kind to one another as well as to the adults. They showed a lot of enthusiasm and interest about Margaret Chase Smith, asking questions and offering suggestions. Because of all this Mrs. McMahon and Ms. Morrill have decided the entire fourth grade deserves the title of Terrific Kids.

Mrs. Knowlton - The two TKs in 5K this week are 2 boys who have shown exceptional growth and maturity this year. They have both been very responsible for having their planners signed almost every day. They have both become polite citizens of our classroom. They almost always remember to use nice manners and I am very proud of the positive changes I have seen. Congratulations to our 2 TKs, Julian Maxcy and Alec Young.

Mrs. Gillis - The students wrote about someone in our class who is kind, respectful and works hard. This is what they wrote about Mitchell Carey, who turns out to be our final TK! Catherine says Mitchell is always giving inspiration. I think he should be called an inspiration leader. He never starts a fight, but he still tries to end it.

Jamie says Mitchell asks for permission before he does something.

Damion says Mitchell treats everyone the way he likes to be treated.

Hunter says Mitchell doesn't hurt people's feelings and he cheers them up. He is the most kind and respectful person I know.

Noah says Mitchell is the most respected person in our room. He doesn't talk in class.

Dakota says Mitchell helps me when I need it. That's why I'm glad to have Mitchell Carey as my friend.

Caleb says Mitchell is really kind. If someone needs help Mitchell is always ready to help, and he follows all the classroom rules.

LOCAL SCHOOL NEWS

Olivia says Mitchell helps other people when they need help, and he does his work without talking. Congratulations to Mitchell Carey!

Mrs. Clukey - The TK this week from 6C has had a good week. She has made sure all her assignments are completed on time. She has also worked hard to keep on task and to follow the classroom rules. Mrs. DW has also commented on how well she has done this week. We are both proud to announce Heather Carpenter as the terrific kid from 6C this week.

Ms. Dixon-Wallace - The Terrific Kid in DW 6 this week is another second timer. This student is a very dedicated and inquisitive student, who is always asking for extra work and additional information. These skills and attitudes will be very helpful for this student both in middle school and throughout his life. It has been great having Clayton Preble in our class, good luck in middle school.

BROWNVILLE ELEMENTARY NEWS

The Frogtown Puppets made their third appearance for the students from Brownville Elementary and Marion C. Cook School. The brother and sister team do a wonderful job entertaining with the puppets they've made. They also write their own script. The show was paid for by the two PTOs. Once again they provide some of the many extras we have in our schools.

COOK SCHOOL KIWANIS TERRIFIC KIDS

Brooklynn, Alyssa, and Jessica were honored as Terrific Kids at our June 3rd assembly.

Mrs. Nott: Brooklynn is my terrific kid this week. She has asked me every day this week if she could help me clean the room and put up chairs at the end of the day. She has been a good friend to others and has worked hard, especially in writing! Great work, Brooklynn!

Mrs. Johnston: Alyssa is a terrific kid in many ways. She comes to school ready to learn every day, usually remembers her planner and work, and has a smile on her face. She is happy and willing to try new things and work towards new goals. She loves helping out in the classroom, and is a good friend to all!!

Miss K.: Jessica is a wonderful student. She uses many strategies to solve problems. She has been a great help adding links to our kindness chains. Jessica is very happy when other students do well and often remarks on others' achievements. Thank you, Jessica.

Last week the new Brownville Town Manager Matthew Pineo, organized a group of town employees and selectpersons to visit the elementary school to make birdhouses with Grades 4-6. The kits were donated by Lowes and the children really enjoyed the project. The group will make another visit next week to work with the younger children to make flower vases. Thank you to all who helped.

Upcoming dates: May 12 - Board Meeting 6 a.m. at Hobnobbers; May 18 - Business Meeting & Election of Officers; May 25 - Speaker from Pine Tree Hospice.

Frank Cochrane introduced Julie Knowlton, fifth grade teacher from LaGrange who is involved with the trip for Milo and LaGrange fifth graders to Boston to Walk the Freedom Trail and visit the Museum of Science on May 13th. The schools started this tradition in 2006 by raising funds. Cost of the trip that year was about \$2,700., but cost for this year is \$3,950. For a student to be eligible to go, they must write a research report and create a project in conjunction with the trip. By doing this, they take on the responsibility of qualifying themselves for the trip, plus they learn how to access materials for their report, etc. in numerous ways. Last year 28 students and 15 chaperones made the trip. Upon visiting the Museum of Science last year, they were surprised to see a movie of The Grand Canyon Adventure which coincided with what they had been studying back at school that year. They also visited the place where the Declaration of Independence was first read to the people, as well as Samuel Adams burial site.

Ms. Knowlton mentioned that she takes numerous photos during the trip and then she makes a CD of the photos for each child so they will have it as a reminder of their trip.

The meeting was adjourned at 7:30 a.m.
Many thanks go to Lois Trask for providing these minutes.

The election of officers was held and the following were elected to be our slate of officers for the 2011-2012 year:

Ethelyn explained to us about the New England District of Kiwanis being able to allow a Family Membership now. This would enable a regular member to add other family members who live in the household to join for half the regular amount.

Frank introduced Jane Stitham from Pine Tree Hospice located in Dover which serves about 3900 square miles in 33 communities. They are one of seven such agencies in Maine and one of 70 nationwide. They are not a service of Medicare and do not receive any federal, state, or insurance company funding. All services provided are free. Funding comes from grants, fund raisers, and private donations. Their annual budget is around \$ 140,000. About 90 volunteers serve clients and their families who are dealing with life-limiting illnesses as well as end-of-life issues. Some of the things volunteers can do are helping at home, providing transportation, building ramps, help access other services for clients, do errands and chores, work on committees, give family care-givers a break. In addition, bereavement support is provided for families, if needed, as well as children. They also work with schools when needed. They could use many volunteers. One of the major fundraisers for Hospice will be four golf tournaments this year - in Dexter, Milo, & Dover. They also hold a talent show each spring. They are celebrating 25 years of service with a barbeque on July 15.

Many thanks go to Lois Trask go for providing these minutes.

Three Rivers Kiwanis, Milo-Brownville June 1, 2011 - Regular Morning Meeting

The meeting at Coburn Family Restaurant was called to order at 6:45 AM, and was attended by nineteen members. We had an interclub from Dover-Foxcroft (6) and PVHS Key Club (4). Guests: Josh Clements and Bill Sawtell.

Eben led us in the Pledge of Allegiance and George offered the morning prayer.

Twenty happy/sad dollars were collected: glad summer is here; happy to see so many young people at the meeting; it's time to sell auction raffle tickets; the Yankees are in first place; Josh misses Milo.

Birthdays/Anniversaries: June 4 is Paul Grindle's birthday.

Upcoming Dates: Dave Butterfield of Tradewinds Market; June 10 - 3 PM at the Town Hall a Combined Committee meeting for Canoe Race and Auction; June 16 - 5 PM erect the tent at Tradewinds; June 22 - begin setup for the garage sale part of the auction. Every Monday - at 11 AM - Builders Club meets, and Every Thursday - at 11:45 AM - Key Club meets. Last day of school is June 19. Our speaker chairperson for June is Heidi. We still need speaker chairpersons for July and August. It is not that hard of a job, as you only need three speakers during a month, and usually there are several suggestions made and all that the chairperson would need to do is make the contact and then introduce the person at the meeting.

Other Important Dates: June 18 our annual canoe race takes place; also on June 18 there is a picnic to honor past Lt.

Governors of our district, it will be held at the Kiwanis Park in Dover later in the afternoon; and June 24 and 25 will be our annual auction; the Annual Milo Fly Festival will be on July 2; and August 4 is the golf tournament.

In lieu of having a speaker, Heidi led a discussion on the upcoming events and what needs doing in preparation. The canoe race and auction are going along as planned and a committee meeting is scheduled for June 10 at the Town Hall at 3 PM to finalize any last minute details.

Ethelyn further explained the new temporary club dues plan in trial phase for New England clubs. Basically, a spouse or other household resident can join or renew at half the dues amount of the primary member from that household.

Ethelyn also reminded us to hand in any 50/50 tickets for the district drawing which will be held at the past Lt. Gov.'s picnic on June 8.

Edwin reminded us to make our contacts to get the donation of items from local businesses for our auction. So far the response has been slow.

The meeting was adjourned at 7:10 AM.

These packs are valued at \$15-20 each, depending on age group served," said Brown.
