On Tuesday, May 13 at approximately 11:45, The Every 15 Minutes crash enactment will take place in the Penquis Valley High School driveway. All area residents are invited to observe, but it would be a good idea to park at the American Legion parking lot and walk up. Take Me Out To The Ballgame...

Little Marissa Fenway Harmon was quite a hit when she and Mama and Daddy attended Red Sox games on May 3rd and 4th. She made a lot of new friends when they found out her middle name was Fenway. Many people took pictures of Marissa and a man who was sitting two rows behind caught a foul ball and gave it to her!

THANK YOU FROM THE POSTAL SERVICE AND THE UNITED METHODIST CHURCH FOOD CUPBOARD

By Valerie Robertson

On Saturday, May 10, I had a rare day off from delivering mail, because I had been asked for help from the Key Club kids to sort food from the Post Office food drive. Many of you may not be aware that every item donated to the yearly food drive stays right here in Milo to benefit area families. I was very impressed with the amount of food donated as well as with our much needed and well organized food cupboard.

Under the watchful eyes and busy hands of Lew Dyer and his group of Food Cupboard volunteers, at least a ton of canned goods, boxed foods and other non-perishable items were separated, organized and stored away on the tidy shelves of their large pantry. Lew told me that at times during particularly busy weeks he and the ladies dole out food 5 days a week, sometimes needing to schedule pick-ups every 15 minutes.

No matter what your views are of welfare or the needy, no one can deny that local people making sure no local child goes hungry is a program well worth our support!! The Methodist Church and its dedicated group of volunteers make sure the Cupboard runs smoothly and we owe them a huge thank you!

If you didn't get a chance to donate food last weekend and you want to make a difference in the health and happiness of area children, you can take items to the Milo Town Hall and they will get them to the Food Cupboard. Especially needed items include saltine crackers, peanut butter, Hamburger Helper and all canned vegetables. If you would like to make a cash donation, you may send a check to: **The United Methodist Church**

PO Box 116

A shout-out to the kids who donated a lot of time and energy: Logan Whitten, Jeremiah Hayden, Isaac & Rebekah Amos, and Karen Bell. Linda Champagne, Frank Cochrane and Don Harris provided help also. Thank you all!

At the Patten farm in Atkinson the girls are more than just farm hands....they are artists as well. This patriotic rock painting was done by Haley Patten, her mother Tonya Patten and her grandmother Trisha Smith. We thank Frank Cochrane for the picture.

Quilt Raffle

The students at Brownville Elementary School are selling raffle tickets for about the next month. The raffle includes a wall quilt with pictures of all the children in the school, a queen size bed quilt, a table runner, a table quilt, a lap quilt, a quilted bag and a child's coat rack. Tickets are \$1 each or 6 for \$5.00.

Tickets may be purchased from any child in K-6 or you may contact the school.

Proceeds will benefit special programs and field trips at the school. Your support is appreciated. The tickets will be drawn in early June and winners will be notified.

We need items, so think of us as you do your Spring Cleaning!! You can leave donations at 12 Park St [Laurie Hansen's house beside NAPA] or on the porch of the shelter at 39 Clinton Street. We would also appreciate any coupons for Purina Cat or Kitten Chow, You may leave them in any donation box for *The Three Rivers News* or in the cans at The Milo Farmer's Union.

Three Rivers Kiwanis Auction

To be held June 19th and 20th-2008

Due to the cost and difficulty of disposing of white goods (refrigerators, stoves, washers etc.), we request that if you have a large item to donate, you have it plugged in and working when we pick it up. Also, due to lack of storage space, these items will only be picked up a day or two before the auction, as we will need to store them under our tent. We will have access

to an electrical plug-in at the tent, so the absolute best situation would be if you could deliver it and show us it works at the time of delivery!!

As always, any and all donations of money help greatly. This is our yearly fundraiser and we need to raise enough to cover the 21 programs we sponsor for area children and senior citizens.

Mail any donation to:

AMERICAN LEGION FLAG NEWS

Operation Red, White & Blue going on its fourth year is a program involving the installation of flags on the streets of Milo. We have lost over 30 % of the flags to weather because they fly from May to September. We derive no profit from this operation and US World of Flags provides the flags at cost.

You can purchase a flag in honor of anyone and we will install, retrieve and store for next year, plus we will post the request on our Post bulletin board. Request can be made by contacting Dick Graves 943-0938, or leave a message at the Post 943-2542. Donations can be mailed to American Legion.

BROWNVILLE ELEMENTARY

May 8, 2008

The Brownville Elementary staff would like to thank the Brownville PTO and civil rights team, for all the wonderful surprises this week. All the goodies, the beautiful handmade bags, the daily surprises, and the "taking over" of the assembly, was so much enjoyed. We as a staff appreciate being "appreciated" and cannot thank you enough.

The Civil Rights team at Brownville Elementary has played an important role this year. Last week they ran the weekly

Thursday assembly and recognized staff and teachers for Teacher Appreciation Week. Their advisor is Guidance Counselor Ms. B.J. Bowden.

Nicole Padilla is Brownville Elementary's selection for the District 5 Honors Music Festival. Mr. Eastman spoke highly of Nicole at the school assembly. Way to go Nicole! We're very proud of you!

Milo Elementary Terrific Kids

Mrs. Carey - WE ARE PLEASED TO HONOR ALL OUR MOTHERS, GRAMMIES, NANNIES AND CAREGIVERS THIS WEEK AND... ALL OUR VERY SUPER DUPER KINDERGARTEN K- KIDS!!! YES, - SURPRISE! IT IS ALL THE CLASS THIS WEEK!!!! STAND UP AND GIVE A CHEER!!! CONGRATULATIONS FROM MRS. CAREY, MRS. WALKER AND MRS. LYFORD.

Mrs. Barden - Our terrific kid is a great helper. She always checks her classmates to make sure they have their work finished. If they are stuck, she is our number one go-to helper. We think she will grow up to be a super teacher. Congratulations to Madisyn Bellatty!!!

Mrs Tardiff & Mrs. Hussey - This young lady has been working hard to improve her reading. She has moved up a level and is doing great. She also has been improving her handwriting. We like how she giggles and smiles. She enjoys math and has a good math sense. Congratulations Allison Larry!

This young man is an excellent reader and hard worker. He always gives his best effort on tasks and often goes beyond the basic requirements. He loves to find information to share with the teachers and classmates. He follows the "I Care" rules of our classroom and is a good friend to his classmates. Congratulations Noah Zambrano!!!

Mrs. Dunham - Our terrific kid is a girl who deserves this award. She comes in each day and gets right to work. She is kind and caring to all she comes in contact with. She works well in groups or independently. There is going to be a lucky fourth grade teacher next year with Mariah Tuscano as a star student.

Mrs. Mills - Our terrific kid is a hard worker. She completes her jobs on time and is polite to her classmates. I like her sense of humor. She is going to make a great fourth grader. It has been great to have Tabby Lemon in my class.

Mrs. Whitney - Whitney's Terrific Kid has worked very hard on her Math this week and it has paid off. With a little extra help from Mrs. Martin, Sara Bubar has succeeded with 3-digit multiplication and is a terrific kid. Congratulations, Sara!

Mrs. Johnston - Our Terrific Kid this week is a girl who can be terrific any week. We are observing crayfish this week, and she has been a big help with the little critters. She does a great job getting her work done in class and almost always has her homework. She has begun to demonstrate great leadership skills and is a responsible member of our class. I am thrilled to have Haley Pearl as our Terrific Kid.

Mrs. Clukey - This week's terrific kid could have been chosen every week of this school year. I will certainly miss her great attitude and her helping hand next year when she leaves for the big school. She comes every day with all that she needs for the day along with a great attitude. She is smart, kind, dedicated, and the list could just keep going on. But because we don't have all day I'll just say she is one of the best students I've had here at Milo Elementary. That is why Cassandra Lopez is my terrific kid this week.

Ms. Clark - Our terrific kid has done a great job the past couple of weeks. He is working hard on his work during school and completing his homework. He is accepting responsibility for his actions, which is a sure sign of maturity and leadership. He was a great role model on our two field trips: to the Gulf of Maine and to the University of Maine. This student is a member of the civil rights team. Congratulations Cevonte Johnson, our terrific kid of the week.

Penquis catcher Britney Genthner is doing a super job behind, and "at" the plate this year.

Cook School News

Scott Macomber, Kortnie Stone and Derek Perkins were honored as Terrific Kids at our May 9th assembly.

Scott also has been staying after school and working extra with me and has been doing a wonderful job! Keep up the good job, Scott!

Miss Brown: Kortnie is the terrific kid this week because she is very kind and understanding with her peers. She helps organize the classroom and she follows directions. She has given a lot of effort on her assignments and she tries to improve her skills all the time. She is a bright girl and is fun to be with. Congratulations Kortnie!

Miss K: Mr. Derek Perkins is my Terrific Kid this week. He has been a wonderful help while I have been completing assessments. Denim Drive

Last September the students in the Lifeskills classroom @ PVHS had the good fortune to meet a lady that went to Zimbabwe, Africa. Students learned about the struggling education costs in that country and decided to sponsor a school. (Tuition and school supplies costs \$50.00 a year per child) Our students will be accepting blue denim jean donations to raise money to sponsor a school in Bulawayo, Zimbabwe. Clothes should be clean and relatively undamaged. Zippers and buttons in working condition. All sizes are accepted. Drop off containers are at Milo Farmers Union, True Value Hardware, and Maine Saving Credit Union.

If you would like more information, please contact Patti Grillo @ PVHS 1-207-943-7346

On May 19th at 1:00 there will be a State Silver Star medal ceremony at Brownville Elementary. Maine Adjutant General John W. WHAT'S UP DOC?

BY: DR. KEVIN CHASSE

Hi Folks! Last weeks article got a great response, thank you all for your interest! The following question seems to be a common one so I chose to answer it first.

Q: What training do chiropractors receive?

A: Doctors of Chiropractic receive extensive, demanding professional education on par with medical doctors (MD's) and osteopaths (DO's). To receive the Doctor of Chiropractic degree, candidates must complete extensive undergraduate prerequisites and four years of graduate-level instruction and internship at an accredited chiropractic institution.

Comprehensive knowledge of all systems of the body and diagnostic procedures enable the DC to thoroughly evaluate a patient, address disorders relating to the spine and determine the need for referral to another health care provider.

Milo Free Public Library News

By Judith Macdougall

Several columns ago I mentioned that the library was getting ready to install an electronic circulation system. Jerry Cole, technical coordinator, and Pamela Flanagan, library assistant, made lists of the equipment needed and Jerry went about selecting and buying the materials. Jerry bought our two new computers locally through Bob Ade, where he was able to get a good buy. He also purchased software -LIBRARYSOFT. through Demco, our library supply store, and Pam and I purchased labels for the program. Last week Jerry set up the two computers. One is on the circulation desk for circulation functions and the other is on a table where the card catalog used to be to be used by patrons as a card catalog. Things are moving. Pam has been studying LIBRARYSOFT and will soon be ready for the next step. She will then feed the book information into the computer software and make her barcode labels. I'm sure we will have glitches here and there, now and then, so please have patience and bear with us as we make these changes.

This week was the second Kiwanis Kids Korner program of the spring. I was not in the library on Wednesday so I had to rely on Dearle Flint, one of our wonderful substitutes, for the following information. There were 18 children in attendance and 3 adults. Key Club volunteers were Ethan Herrell, J.T. Kearns and Kayla Kearns. While Natalie Hitchcock read stories, the "Kids" snacked on yogurt, fruitcups and juice boxes. Natalie read Toes Are To Tickle by Judy Denton, Parts by Tedd Arnold and Do Princesses Wear Hiking Boots? By Carmela Coyle. The children enjoyed making a foam Mother's Day card with glitter letters as their craft. I didn't see the cards, but I can imagine how glitteringly beautiful they were, and know that all the Moms will love them.

New books have arrived this month from Baker & Taylor. They are all processed and are now in circulation.
