4th Annual Sebec River Canoe & Kayak Race is set for June 20th

Sebec & Milo - The 4th Annual Three Rivers Kiwanis Sebec River Canoe & Kayak Race annually draws racers from across Maine and their custom boats. Paddlers compete in 9 racing and recreational classes for canoes and kayaks under the rules of MACKRO (Maine Canoe & Kayak Racing Organization - www.mackro.org).

The race has become the spring fund-raiser for the Three Rivers Kiwanis Club of Milo-Brownville. The club solicits corporate sponsors, listing ads for the race t-shirts, taking in boat registration fees for the race, plus the Kiwanis Food Wagon at the end of the race. This year's sponsors are Earl Gerrish & Sons Inc., S & L Auto Parts, C & J Variety, Bailey Lumber Company, Harmon Shell, Witham's Garage, Trask Insurance, Milo Farmers Union, Milo Family Practice, Lumbra Hardwoods, Inc, and Eastern Shooting Supplies as of today. Last year race proceeds helped Kiwanis continue their many community projects such as Youth programs and more. Kiwanis race chairman Bobby Ellison is optimistic that water levels will be good for the June 20th race.

Popular racing and recreational classes include single kayaks and single canoes for men or women, two-man and two-woman canoes, mixed doubles (man and woman) canoes, and the Junior/Senior Challenge. Other MACKRO classes include Class I Racing Kayak, Class II Recreational Kayak, Class III Racing Canoe, and Class IV Recreational Canoe.

All paddlers must have personal flotation devices. Some experience with your boat in rapids is advised, since there are areas of whitewater Class II and as well as flat water stretches.

Registration for the Sebec River Race is from 9-9:45 a.m. near the start at the Sebec Reading Room in Sebec Village. The Sebec Reading Room will be open at 8 am for food and drinks as well as a public bathroom. A race T-shirt comes with the \$15 per person registration fee. A shuttle service will be available to transport racers back to their cars after the race is over upon request.

The race has a shot gun start beginning at 10 a.m. Awards for first-, second- and third-place finishes in each class are given out at the race finish line at the Sebec River Public Landing in Milo. Also at the finish line is the Kiwanis Food Wagon.

Safety is stressed during the race. The Milo Fire Department River Rescue team will be at the course during the race.

For race details and pre-registration, contact the Race Chairman Bobby Ellison at 943-2317. The web site www.ThreeRiversKiwanis.org has more information as well the registration form. The race is an American Canoe Association and Maine Canoe and Kayak Racing Organization event.

The Town of Milo
*Declares June 16
Walter Oakes Day*

Mr. Oakes is retiring after a 50 year career in education. The Board of Selectmen are pleased to declare June 16, Walter Oakes Day in Milo. If you see Mr. Oakes please thank him for his 50 years of dedicated service.

The Milo Historical Society will be holding a Baked Bean and Ham Supper on Friday, June 19 from 5:00 p.m. - 6:30 p.m. at the Milo Town Hall dining room. The supper will also include hot dogs, cole slaw, assorted casseroles, salads, and desserts. Tickets are \$6.00 for adults and \$3.00 for children 12 years old and under. The tickets will be available at the door. Proceeds will be used by the organization to help defray costs involved in building upkeep.

The 20th Annual Cruize-In will be held at the JSI Store Fixtures parking lot on Route 11 in Milo on Sunday, June 28th, from 10am to 2pm.

The Penquis softball and baseball teams both play home on Tuesday the 9th in the regional play-in games. The baseball team finished in 6th place and will face Lee Academy. The softball team finished in 8th place and will play PCHS. Here's a great chance to come and support both teams in the playoffs. Both games begin at 4:00.

MILO'S TERRIFIC KIDS

Mrs. Barden - For our final selection, the class discussed the traits of a terrific kid and voted by secret ballot. We had many people get one vote but the most votes were evenly divided between two super children. We are very happy to announce that Mercedes Ames and Justin Goodine were the class choices for our final assembly. Congratulations!!!!

Mrs Tardiff & Mrs. Hussey - We would like to congratulate the whole second grade for the tremendous job they did taking the NWEA tests. They all worked hard and had great attitudes during this computer test. This was the first they had ever done. Great job!!!

Mrs. Dunham - Our terrific kid is a dear sweet girl who could be terrific kid every week of the year. She is kind, cooperative and hard working. All her teachers have said what a hard worker she is. She loves art and playing outside. She has really improved her writing skills. Her favorite topic to read and write about is horses. Our terrific kid is Raina Allen.

Mrs. Mills - Our terrific kid has worked hard this week. She has completed all her homework and gotten her classroom jobs done on time. I am pleased with the improvement this year in her social skills. She has learned how to handle most of her friendship problems on her own. I hope she has a great summer and comes back ready for a great fourth grade year. Congratulations to Hailey Reeves.

Ms. Patton - Ms. Patton's Terrific Kid is Autumn Dow. Autumn has been practicing her handwriting skills throughout the year. Her practice has really paid off; she has shown great improvement! Autumn has realized that if she takes her time and thinks about the lines and curves in the letters, her handwriting is much easier to read. It's great that Autumn notices what she needs to work on, and tries her hardest to make progress in that area. Congratulations to Autumn Dow!!!

Mrs. Gillis -NWEA testing is done for the year,

Our class as a whole has a reason to cheer,

Our total scores increased from fall to spring

By one hundred fifty-three, that's a pretty good thing. Congratulations, Class!

Mrs. Clukey - This week's TK has been doing an awesome job on his language arts assignments. Also, Mrs. DW also says he has been doing a good job in math. Recently, I have been pleased with his level of maturity. He is beginning a real leader for the

class. I will miss not having him or one of his brothers in my class next year. Can anyone guess who our 6c terrific kid is? If you guessed Clayton Tarnoczy you are correct.

Brownville's TKids

Angelina Roberts 1- Bryan Bolstridge 2- whole class 3- Jericho Prado 4- Dillon Watters 5- Danielle Sanders 6- Dylan Lalime Citizens of the Week Samantha Gibson, Alex Kearns

- Cook School News

Mr. Perkins, Kelina Spencer, and Queen Kelley were honored as Terrific Kids at our May 29th assembly.

Mrs. Nott: Mr. Perkins is my terrific kid this week. This year I have been teaching Reading Recovery before school and Mr. Perkins has been working in my classroom to cover for me. It has been such a big help not having to worry about my students while I am teaching lessons! Thanks a lot Mr. Perkins!

Mrs. Johnston: Kelena is another student who is pretty terrific most weeks. She is a great reader and listener, and tries hard to follow all the rules. For the past couple weeks she has worked extra hard to keep her area neat, and I really appreciate that!!

Miss K: Queen Kelley is a Terrific Kid every week. Our Queen is an excellent lunch server but she is much more than that. She loves the children and they look forward to seeing her every day. Queen Kelley takes the time to listen and to give an extra pat on the back to those in need. Queen Kelley also takes care of our staff and extra special care of Mr. Perkins. We love you Queen Kelley. Bus Awards: Gerald, Justin B., Makayla P. Birthdays: Michael I. (6), Ms. Willinski (?) Move and

Improve Prize Winner: Makayla P. Caught Being Good Prize Winners: Harmony, Mackayla, Justin, Courtney, Haley M. Reminder: School movie is Friday, June 5 at 8:30. Come out and see the STARS! Final Assembly: June 12 at 8:30 Congratulations to all of our Terrific Kids.

Milo Rec Summer Schedule Basketball Camps

Boys

Students on Jen Baker's pee wee basketball team are proudly wearing the medals that were awarded to them at the Cook School on Thursday.

Key Club with Camille

Hey there again! It's the Penquis Valley Key Club just updating you on what we've been up to. The Key Club meets every Thursday in room 13 of the Penquis Valley High School, at 11:45.

The officers of the Key Club include Josh Clement - President, Katy Korona - Vice President, Camille Cramer - Secretary, Hanna Backus - Treasurer, Paige McGuinness - Historian, Kelsey Ottmann -Bulletin Board Editor, Katie Joyner-Robertson and Val Robertson as advisors.

Summer is on its way everyone! Right now, Key Club isn't active in any specific events, for everyone knows that with prom, graduation, and endless finals, squeezing things in can be difficult! I guess you could say that we are sort of in the transitional process of wrapping up our year with the annual training of upcoming officers. We do, however, have a few on-going projects that we could use your help with!

Each member of the club has been given 2 hand made, wooden toys to sell as a fundraiser. Classically, they are known as "Jacobs Ladder", but for those who aren't familiar with that term it's pretty simple. Between two wooden beams that are attached to a wooden base are ladder cross-beams of all different colors. Blue, Green, Red and Yellow... It's quite pretty! At the top of the contraption there is what we like to call a flipper, (looks something like an ultra fat clothes pin with slits at both ends). You put the flipper on the top beam and watch it trickle down the rings below it and hope you make it all the way down. This marvelous toy is designed that every time you use it, you may come to a different conclusion. One time it may flip all the way down.. another time you may only get half way! It's to torture the perfectionists out there like me! If you would be interested in purchasing one of these toys at \$7.00 each, please feel free to contact President of the club Josh Clement at 207-965-5966, or myself Camille Cramer, incoming President at 207-299-3834. Both of us will be more than happy to assist you!

Also, Key Club plans to schedule a bottle drive for the Saturday after graduation, I believe the 13th of June. This bottle drive will go to help us pay off areas from this year, and also get a good start for the upcoming year. I guess you could say that this fundraiser is very important for us at this time! If for some reason the club does not reach your house and you would like to donate bottles and cans, please notify Josh Clement or myself and we would be more than happy to arrange something for you! Hope you can help! Contact information is as follows: Camille Cramer – 207-299-3834, Josh Clement, 207-965-5966.

Penquis Valley Key Club is proud to support, serve, recognize leaders and update our community every chance we get. After all, our motto is....**Caring - our way of Life.**

In Memoriam

JASON ANDREW HARMON

Jason Andrew Harmon, dearly loved son of Ronald and Jane (Bradeen) Harmon, lost his courageous battle with Burkitt's Lymphoma on Tuesday, May 28, 2009, exactly one year after being diagnosed. He was at home surrounded by his family just as he had requested. Jason was born in Marlboro MA on September 18,1969. He attended Hudson schools and graduated in 1987 from St. John's High School in Shrewsbury. He graduated from the Whittemore School of Business at the University of New Hampshire in 1991. A self professed 'hotel geek' he worked for many hotels in New England and Florida before getting his 'dream job' at Newmarket International in Portsmouth, NH as a training manager. He loved traveling and teaching and this position offered world travel as well as teaching in hotels around the globe.

In 1999 he moved to Dallas to work for Omni Hotels in their corporate offices and at the time of his death, he was Global Field Sales Director for Omni Hotels and the Director of G-Leads for the Global Hotel Alliance, still doing his traveling and teaching on a different level.

Jason leaves behind his parents of Hudson, his partner Stuart Boslow of Grapevine, TX and his special friends Jerrrod Resweber and Rob McClellan, both of Dallas. He is also survived by his grandparents, Albert & Marion Harmon of Marion, NC, as well as aunts, uncles, and cousins around the country. He was involved in so much and had so many friends in all of his varied interests, it's impossible to mention them all.

In lieu of flowers, Jason asked that donations be made in his memory to the Dallas Resource Center, PO Box 190869, Dallas, TX 75219.

Fresh, Innovative & Affordable

Milo Free Public Library News

Judith D. Macdougall

What a good time the Kiwanis Kids Korner had last Wednesday! The weather was perfect-sunny and pleasant with a slight breeze. Val Robertson took advantage of the conditions and held this last session outside under the crabapple tree. Val and her helpers took one of the large fiberglass tables outside to set up to serve banana split sundaes. Along with Val there were Heidi Finson, Bonnie Hurley, Katie Robertson-Joyner and Lois Trask for adult helpers. Rebecca Carpenter, Shane Woodard and Camille Cramer from the Key Club also pitched in to serve the 29 "Kids". Phil Hitchcock was also present, having brought his "Kids" to the session. Val had everything set up cleverly. On the table were chocolate and strawberry syrups, sprinkles, whipped cream and at the far end were the fruits- bananas, strawberries and cherries to top off the confections. I would think the children would have had a hard time choosing from among all these condiments. Ice cream-filled bowls were passed along as each child selected what additions he/she wished. To offset any worries, Val assured everyone that they could come back for seconds. The helpers at the table moved things right along, and all the children were soon sitting under the tree to listen to Val read Knuffle Bunny Two by Mo Willems. This book is about Trixie and her lovey Knuffle Bunny. However, in this book Trixie is older and can talk. She takes her lovey to pre-kindergarten where he gets mixed up with another child's lovey who is nearly the spitting image of Knuffle Bunny. Unfortunately the wrong bunnies go home with the wrong owners. At 2:30 a.m. the switch is discovered and the exchange is made by fathers and daughters in pajamas racing across town. After the story the children played

running games in the lovely spring air. One young girl did cartwheels across the lawn. Dearle and I, looking out the window, wished we had that energy. It was such fun to see the youngsters enjoying an ice cream picnic, a story time and games. I certainly wished I had had my camera to record the scene.

We have been having inquiries about the BE CREATIVE @AT YOUR LIBRARY summer reading program. We are excited to have so many calls but Sign Up Week is June 15-19. We will have all the necessary materials then and will be glad to answer any questions for newcomers. Actually members can sign up anytime during the program, but the sooner kids sign up the more fun and prizes they will have. If your child signs up by June 26 he/she has a chance to win one of three tee-shirts with the program logo. The actual program begins on June 22. Every week we will give away 6 food prizes. Each child can sign up once a week to get a chance to win one of the six prizes--- 1 small pizza from the Milo House of Pizza, 2 soda prizes from C & J Variety or 3 ice creams on-a-stick from the Milo Farmers Union. These businesses are generously donating the food prizes. Every week, too, your child can sign up for a chance to win one of three mascots which will be given away at the final party. Every week there will be surprises, and paper and pencil games. There will also be a Story Time at 2:30 every Wednesday during the program followed by a Craft half hour. There are NO prizes for most books read. We work on a contract system whereby you, the parent, and your child decide how many age-level books can be read comfortably through the 8 week program. The goal is to encourage children to enjoy reading while having fun and keeping up their reading skills through the summer. We really hope we see you and your child(ren) this summer.
