Bike Rodeo Sponsored by The Three Rivers Kiwanis Saturday, May 1, 2010

Milo Elementary School, Belmont St., Milo -

As elementary-age students throughout the Piscataquis area look forward to spring, thoughts turn to outdoor fun. Hundreds of area kids will be hopping on their bikes to take a spin around the neighborhood, visit friends or to independently make their way to important destinations such as the park or store.

Cycling is a fun and healthy way to stay active and enjoy the outdoors. It's also a leading cause of unexpected injuries. In fact, every year, more than half a million bicyclist visit hospital emergency rooms because of cycling mishaps. Nearly one quarter of those injured in bike-related accidents are youth.

To ensure that young cyclists are ready to ride safely, the Three Rivers Kiwanis is hosting their annual Kiwanis Bike Rodeo on Saturday, May 1, from 10 a.m. to 1 p. m., at Milo Elementary School on Belmont Street in Milo. All elementary school children, accompanied by an adult, are welcome to participate. The event is free. "It's always great to see kids on their bikes, but riding safely is a must" says Jeff Gahagan, Three Rivers Kiwanis Rodeo Organizer. "Three Rivers

Kiwanis presents this popular event so that young cyclists have the opportunity to learn the rules of the road. Equally important is that they understand the importance of wearing well-fitted safety helmets. The Kiwanis encourages area families with young children to take part in this community safety event. Participants will rotate through bike riding skill and safety stations and have the opportunity to earn a bicycle safety certificate.

The effectiveness of helmets can be reduced by as much as 50 percent if they are not fitted properly. Volunteers and the event will adjust helmets for every participant.

To make it "cool" to wear helmets, consider the following tips:

- Encourage helmet use before "being cool" matters. Put helmets on children when they begin riding tricycles. Make it a habit.
- Be a role model. Younger children are strongly influenced by the example of their parents and older siblings. Establish a household rule that applies to everyone: if you ride a bicycle, wear a helmet.
- Participate in a bicycle safety program such as the Three Rivers Kiwanis Bike Rodeo. Bring along a few of your children's friends so they can learn about safety as a group.
- Be prepared to take a stand when peer pressure is working against the use of helmets. Be firm. Don't back down.

Ten tips for safe bike riding: (from Consumer Product Safety Commission)

1. Always wear a bike helmet.
2. Stop and check traffic before riding into a street.
3. Don't ride at night.
4. Obey traffic signs and signals.
5. Ride on the right-hand side of the street.
6. Check your brakes before riding.
7. Give cars and pedestrians the right-of-way.
8. Wear light or bright-colored clothing so that motorists can see you.
9. Be extra careful turning left - motorists don't expect it.
10. Avoid broken pavement, loose gravel and leaves - which can cause you to lose control of your bike.

The bike rodeo will be held rain or shine. Kids should bring their bicycles. If you have questions or need directions on the day of the event, call Jeff Gahagan at 943-2202 or email at jeff@townofmilo.net

Penquis Valley High School Baseball Team

This week during school vacation the Milo Recreation Department purchased 20 yards (a huge dump truck load) of infield material of special dirt & gravel mix to replace much-needed material used throughout the years. The 20 yards of mix was placed on the short stop area of the baseball field and needed to be spread, compacted and raked around the infield. A portion of the mix was also used on the softball field. The high school baseball team coached by Jeremy Allen worked extremely hard shoveling and raking the infield mix. Local little league coach Steve Beals was also a big help with this process. I couldn't have accomplished this task as quickly as I did without the team's help. I can't say enough about Coach Allen as he's an excellent coach and the players respect him. It's a great feeling to be involved with the players and coach that are taking pride in their field. The home opener at Harris Field is Friday, April 30th at 4:30. Good luck and have a great season.

Three Rivers Kiwanis, Milo-Brownville
April 21, 2010 Regular Morning Meeting

The meeting at Hobnobber's was called to order at 6:45 AM, and was attended by eighteen members. We had two interclubs: five from Dover-Foxcroft and four Key Club members.

Eben led us in the Pledge of Allegiance and Herbie offered the Morning Prayer. Thirteen happy/sad dollars were collected - happy to be here; beautiful day; golfing today; Frank is helping escort 25 to 30 4-H members to the University of Maine in Orono to show them the campus; Dover-Foxcroft Canoe Race is Saturday April 24th; good breakfast.

The Bike Rodeo is scheduled for May 1st. The Kiwanis sponsored variety show will be held on May 7th and Ethelyn has things under control! Lois is in charge of the food table and is looking for donations from the club and the community.

Note: the bake sale scheduled for April 23rd has been postponed, as PAWS had already set a bake sale for the same day and place.

Our speaker, Dicky Martin, the Milo Recreation Director, gave us the rundown on what he and his helpers have accomplished and what they plan for the future. First of all, he thanked those in the community who have stepped up to help him with the many programs that he is running. He complimented Jeff Gahagan as the best boss Dicky had ever had. Two young people have been hired for the summer on a part time basis to further help out with the agenda, which includes golf, tennis and swimming. Sebec Fencing has repaired the fencing at Harris Field, and JSI with the help of Lumbra Hardwoods and Bailey Lumber built and finished eight new benches.

Bottle drives and raffles were held and brought in money to replace the uniforms for the basketball team. Also, some other very generous donations were made by Milo residents in an answer to an appeal that was in the Three Rivers Newsletter. Cindy Herbst is running a senior-cise program at the Town Hall three days a week for about 20 participants. There will be a Mud Run on June 19th. The baseball field has been upgraded with 20 yards of material. New signage is going in soon. There is a hike to Chimney Pond in Baxter State Park being planned for later in the summer.

After a few questions, the meeting was adjourned at 7:30 AM

Respectfully submitted,

Nancy Harrigan, Secretary

By Judith D. Macdougall

On Tuesday April 20 the Three Rivers Readers Book Club met with 7 members present. Margaret Pinette led us in a discussion of Digging to America by Anne Tyler.

Before we settled down to a discussion though we exclaimed about the fact that Jane Fairchild and David Ziemer had brought coffee and craisin and pecan biscotti. To add to the wealth of goodies, Barbara Crossman brought in filled sugar cookies. What fun! The biscotti is best dipped, and everyone was dipping theirs into their coffee. However, as I don't drink coffee, Jane gave me a glass of milk for dipping. We all agreed everything was delicious.

Margaret gave us some facts about the author, Anne Tyler. The most interesting fact of her life that tied in with this book was that she married a psychologist from Iran and had two daughters. One set of parents in the novel were from

Iran. Her books have won Pulitzer Prizes and National Book Awards.

Her characters are very comfortable and family oriented. The premise of this novel was that two families, one American and one Iranian were at the airport at the same time receiving adopted daughters from Korea. Later Bitsy, the American mother, seeks out the Iranian couple to celebrate together with parties for their Korean daughters. The Iranians changed their daughter's Korean name to an American name while the American couple kept their daughter's Korean name and costume her in festive Korean clothing for parties. It is interesting to see how the girls and the parents interact with each other. In the case of the parents, they become very good friends. The relationship of belonging comes up too. The American grandfather says to the Iranian grandmother that we all think "the others belong more". Actually this was true of some of the immigrant characters in this novel, but also could easily be true for any of us in various ways. We think others are happier, that they know more what is going on, or are more confident-"just belong more".

The group traded stories of immigrants-the problem of learning languages, etc. Often Readers knew relatives or friends who had been immigrants and discussed how they had assimilated. In fact, one member compared meeting her husband down south and after the marriage visiting Maine for the first time as a very different experience.

Next month members will be reading and discussing a historical book on the original Boston Tea Party. Jane Fairchild will get copies of the book for us. In June we will be reading short novels selected by Barbara Crossman.

We have been going through preview boxes and have been selecting books for our younger readers to enjoy during our summer reading program---MAKE A SPLASH-READ. From the latest Penworthy box we have chosen new Berenstain Bears, Charlie and Lola, DK Readers Star Wars, Hannah Montana, and others. The Mid-America box was themed to fit in with the SRP water program, and we selected books about Sponge Bob, Diego and Dora the Explorer, a new lobster book (of course) and a variety of books about creatures living in the wetlands, rivers and streams, and oceans. We will be getting more information out to the schools to tell you about this great FREE program for your children.

REMEMBER on SATURDAY, MAY 1, there will be an OPEN HOUSE given by the trustees to honor my RETIREMENT from the library. It will take place at the library between 2:00-4:00. It will be fun to see you.
