Live Simply - Love Generously - Care Deeply - Speak Kindly

Volume 9, Number 45

**Just over 60 Days and counting...** Hello friends and neighbors! After a long summers nap Santa is ready to get back to work with your help. Santa is finding that each year his list is growing larger. Seven years ago Santa had 40 children on his list and that list grew to 218 this past Christmas. And to be honest Santa was a little worried but with the help of so many generous folks in this community 218 children woke up Christmas morning with smiles on their faces. Not to mention, warm boots, coats, hats, mittens and toys under the Christmas tree.

Santa is expecting the list to grow even larger this year. So friends, neighbors and Alumni please give Santa a helping hand again this year. Anyone interested in making donations of new toys, mittens or cash would be greatly appreciated. Donations can be made at the Milo Town Office or mailed to Three Rivers Kiwanis, PO Box 143, Milo, ME 04463. Checks can be made out to Three Rivers Kiwanis Secret Santa or contact Bonnie Hurley @ 943-5645. Many Thanks to All, Santa

## On behalf of Three Rivers Kiwanis Eben DeWitt presents a plaque to the Awalt brothers.

The JSI/Milo Kiwanis Golf tourney began in 2005 when the Awalt brothers of JSI decided to give something back to the Communities of Milo/Brownville. It now has evolved into the second largest fund raiser for Three Rivers Kiwanis of Milo/Brownville, having raised a record amount of \$8300 this past August.

The golf tournament is now officially called the Clayton Johndro Memorial in recognition of the Awalt brother's father who initially encouraged and helped the boys in their endeavor to build store fixtures and create a market for their products. Clayton Johndro, who passed away a few years ago, was not gifted, he had a tough home life and did not finish school. However, somewhere along the way, he did learn how to persevere - he learned how to work - and he learned how to be a good father and how to support his family. And it was Clayton Johndro who could build anything and this is how JSI got it's start back in the 80's. He helped the boys build the store fixtures for which they had orders.

Their place of business was the garage, basement and sometimes living room down on outer Elm Street here in Milo. Looking at their business record, it is quite obvious that Clayton instilled in Barry, Mark and Terry that work ethic which he learned in his early days. They are known in the store fixture business for their quality of work and getting orders out on time.

The JSI business has grown into a multi-million dollar company which now employs over 100 and is the second largest

employer in this area next to SAD #41. Their store fixtures can be found all along the East Coast, the South and even in Canada. They sold the business back a few years ago but continue to run it for the new owners.

Milo is indeed lucky to have this business in the area and The Three Rivers Kiwanis Club is also very fortunate to have the Awalts and JSI as their benefactor - helping the Kiwanis Club with our many projects that directly benefit the area children.

### **A Thank You From The Milo Historical Society ~ October 6, 2010**

The Milo Historical Society would like to take the opportunity to extend a sincere thank you to all involved with the recent restoration of the museum. Firstly, this project would not have gotten underway without the initiative of our past president and current vice president, Virgil Valente. Virgil made it his mission to see that the bell tower of the building, long in need of TLC, was brought into proper shape. He did so by coordinating with town and county officials, resulting in an \$80,000 Historic Preservation Community Development Block Grant, secured through the Town of Milo. We also would like to thank and acknowledge our treasurer, Paul Bradeen, who willingly took on the role of coordinating much of the project once it was underway and soliciting additional necessary resources. This leads to the next recipient of our thanks, the Town of Milo and in particular town manager, Jeff Gahagan and the selectmen. The town officials endorsed and supported the project, displaying their commitment toward the society's mission of preserving not only a historic landmark, but also home to the collection of our community's heritage. Our thanks go to Dr. Kenneth B. Woodbury, Jr., past Community Development Specialist for the Piscataquis County Economic Development Corporation and writer of the grant. We also thank Thomas Kittredge, past Executive Director of the PCEDC.

The above mentioned were instrumental in either getting the project underway, or managing and coordinating the details of the project. We would like to acknowledge those whose role it was to perform the labor and supply materials for the project. Our thanks go to the contractor who worked on the bell tower, Joseph McSwain, president of Maine Restoration, Inc., Boothbay, Maine. Joe and his crew were professional and committed to performing quality work. We extend our thanks to Robert Ricker who volunteered his labor and equipment to remove foundation materials that were an obstacle and removed the old asphalt from the walkway. Thanks go to the supervisors and crew from the Charleston Correctional Community Restitution program. They supplied the planning and high quality labor to replace the handicapped accessible ramp, a part of the project not covered by the preservation grant. We thank Sam Bradeen, Charleston's building maintenance supervisor, who was instrumental in getting our project into the vocational program's busy schedule. We

**Canoe Search:**

The Family of Don Peters is searching for information or the availability of canoes he created in the Milo area through the 1960's and 1970's. Our Grandfather built canoes of various lengths, structured of cedar plank and rib design. These canoes were of a flat stable design that he engineered in a tiny garage on Kimball Street in Milo.

If you have information regarding any of these canoes, the Peters family would be forever grateful to learn where they might have ended up. If you should currently own one of these canoes and would consider parting with it we would be interested in purchasing them, in any condition. Your time is very much appreciated.

**We are so lucky to have Mr. Eastman travel to the Cook School. It's hard to tell who enjoys music class more, Mr. Eastman or Kelena!**

### **Milo's Terrific Kids**

Mrs. Carey - We are really happy to tell you about our Terrific Kid this week. She has adjusted well to our kindergarten day and is always sweet and helpful to her friends. And this little girl has become a SUPER-STAR at being a respectful listener. We are very thankful to have Emily Dana Trask in our kindergarten family.

Mrs. Walker - We are so proud to honor this TK boy and MOTHER this week. HE is polite and well mannered and always tries to do his very best here in school and out of school. He is the youngest in their family with three older sisters. HE was the first to know our Milo Elementary School song to sing to the class. HE told us he learned it before he came to school from all the times that he came with his MOM to see his big sisters TK assemblies. Now it is his turn to be the TK!!! Congratulations to Billy Sanborn. P.S. Thanks MOM for caring and sharing of your time to come to the Kindergarten Literacy Night.

Mrs. Hayes - Our terrific kid is working very hard in reading and writing. He can write many new words and he is working with Mrs. Mare and Mrs. Royal on his reading. Joshua Webb is proud of his progress and his teachers are as well.

Mrs. Barden - Our terrific kid this week is a sweet little girl. She is very polite and quiet about school. She works very hard

in all her jobs. Mrs. Hudak says she is learning all her special words. I think she has only 4 left! We are super glad that Carigon Pearl is in our room. Hooray for you, Carigon!

Mrs. Hussey - This week's terrific kid is Jacob Levasseur. Jacob just joined our class and has done a great job settling in and adjusting to a new school. Of course, it helps that his grandmother is just across the hall! Jacob is a great reader, hard worker, and a friendly boy. We are so glad he's joined our second grade class!

Ms. Winkler - My Terrific Kid this week is always there to her friends and myself. She works quietly and stays on task. My Terrific Kid works hard to include all her friends when she plays. My Terrific Kid this week is Courtney Rouleau.

Mrs. Dunham - Our terrific kid is a boy that can really get jobs done. He's almost always first to get his morning work done. He comes up each day with a grin because he gets finished so quickly. He enjoys school. He is an active participant in both small and large group activities. He knows his math facts, so he can really travel "around the world" when we play the game. Ryan Chase is a terrific second grader.

Mrs. Mills - Our terrific kid is a lady with a great sense of humor. She loves to make us laugh. She works hard at everything. She has improved her reading since she got her new glasses. She loves math class and did a great job on her social studies test. She is helpful to her friends and teachers. She is anxious to begin cursive writing. Keep up the good work, Lani Rideout.

Ms. Morrill - This week in Ms. Morrill's class, our terrific kid is

a girl who has been working VERY hard on her writing technique. She is always enthusiastic about learning new things and is eager to participate in group discussions or volunteer answers to questions. There is never a dull moment with Brittney Robinson in our class and it is a pleasure to have her in my room!

Mrs. McMahon - Mrs. McMahon's Terrific Kid this week is Jeremy Martin! Jeremy is a very hard-working student who is always willing to go above and beyond with his schoolwork. He's a wonderful friend and classroom citizen. Mrs. McMahon can always rely on Jeremy to help with any classroom project or activity. Congratulations to Jeremy Martin and keep up the great work!

Mrs. Knowlton - This week in TK we have been learning some 'whole brain teaching' methods. Everyone knows how to have a 1-second party when they earn a point and they are getting

really great at the 'class-yes!' One student I have been watching closely this week is a very quiet girl who ALWAYS has her planner signed and her homework done. She is very responsible with her daily work and gives me 110%! She is a good friend to all her classmates -- congratulations to Cassy Larrabee, our 5k TK!

Mrs. Gillis - This girl doesn't settle for the status quo, She knows states from here to Idaho, She's new to band, and she practices hard, Someday playing music like in Avatar.

Congratulations to Morgana Vick!

Ms. Dixon-Wallace - The Terrific Kid in DW 6 this week is a young man who not only is a great student, but a wonderful helper both in class and throughout the school. He is an active and dedicated member of the band and Civil Rights Team. This student can be found most mornings delivering lunch orders to classrooms and offering a very warm hello to all. Congratulations to Clayton Preble for being this week's Terrific Kid in DW6.

Regular Morning Meeting

The meeting at Hobnobber's was called to order at 6:45 AM, and was attended by sixteen members. We had interclubs from Dover-Foxcroft (6) and Key Club (2). Our guest today was Adam Stetson, who came with his mother, Sue Stetson, our speaker for the day.

Eben led us in the Pledge of Allegiance and Heidi offered the Morning Prayer.

Ten happy/sad dollars were collected - glad no snow yet; Ethelyn's chauffer surviving nicely; good time at Greenville Installation; proud of the job Ethelyn is doing as our Lt. Governor; Library program starts on Wednesday; Dover Hooked on Fishing was held recently without a fish in sight.

Milo's Hooked on Fishing was a big success; the children had a great time; BUT not one fish was caught!

Announcements: D-F Congregational Church will be holding a Chicken Pie Supper on Friday, starting at 5:30. Also on Friday, Mayo Regional Hospital Auxiliary will hold their Variety Show at 7 PM at the Center Theatre in Dover. Tickets can be purchased at the door.

Upcoming Dates: October 7 - Board Meeting; October 9 - Dover Installation will be held at the American Legion building (dessert and beverage being served); October 13 - business meeting; October 21 - New England Governor will be visiting our District (details to follow). Also, Builders Club meets on Mondays and Key Club meets on Thursdays.

Frank will start having the school children prepare the placemats for our Veterans' Day Dinner.

Sue Stetson has been working with the 4-H on a major gardening project. The garden is located near Kroemer Pond off of Park Street. This program was for 3<sup>rd</sup> to 6<sup>th</sup> graders and usually 12 to 15 children participated along with some parents. There was an extensive list of vegetables planted and some were started ahead of time in pots. They made dips and ate some veggies right from the garden. Also some were given to the local food bank. Every child who entered a prize vegetable in the Piscataquis Fair won a first or second place ribbon. Sue's enthusiasm about the program wore off on the children and they are all looking forward to doing it again next year.

The meeting was adjourned at 7:30 AM

Respectfully submitted, Nancy Harrigan, Secretary

By Pamela Flanagan

Remember last week, when I said the Kiwanis Kids will be starting their afternoon program at the library, Wed. Oct. 6th? They did indeed, and it was a wonderful turnout. Thirty-three children attended and going by all reports they had a very excellent time. For some, it was their first time in a library.

The children dined on healthy snacks including apple slices and apple-blueberry-raisin muffins. They had stories read to them and many got their very first library card. Of course, you can't have a successful program with helpers. Those lending Val Robertson a hand were Phil and Natalie Hitchcock, Frank Cochrane, and Rosezanna Gahagan. My apologies if I've left anyone out. With thirty-three children present, you can imagine it was quite a busy time at the library that afternoon. Thank you to all, for making last Wednesday a fun time for everyone.
